September 12, 2018

December 1<sup>st</sup> of this year will mark the 100<sup>th</sup> anniversary of Romania's Great Union, consolidating to become a modern state inspired by the principles of freedom, democracy, and economic liberty. On behalf of the State of Arkansas, congratulations on this momentous occasion.

The United States and Romania share a longstanding friendship built on common values. Working together to build democracy and promote regional security and stability, our countries have a historical partnership that contributes to mutual prosperity.

The bilateral relations our countries share have nurtured a friendship between the State of Arkansas and Romania that is beneficial for both our governments and citizens. I look forward to the continuation of the relationship between Arkansas and Romania with the expansion of trade and educational programs.

As Governor of the State of Arkansas, I send best wishes on this centennial celebration.

Sincerely,
